Amanita flavoconia	
Amanita jacksonii	
Amanita rubescens (Amanita amerirubescens nom. prov.)	
Humidicutis marginata	var. concolor
Humidicutis marginata	var. marginata
Hygrocybe cantharellus	
Hygrocybe laeta	
Hygrocybe miniata	
Hygrophoropsis aurantiaca	
Lactarius aquifluus	
Lactarius camphoratus	
Lactarius deceptivus	
Russula atropurpurea	
Russula silvicola	
Russula variata	
Marasmius rotula	
Megacollybia rodmanii	

Xeromphalina kauffmanii

Pluteus admirabilis

Pluteus cervinus

Cortinarius corrugatus

Gymnopilus penetrans

Crepidotus applanatus

Tapinella atrotomentosa

Psathyrella candolleana

Boletus badius

Boletus bicolor

Boletus bicolor

var. borealis

Boletus chromapes (Harrya chromapes)

Boletus chrysenteron

Boletus frostii

Boletus griseus (Retiboletus griseus)

Boletus huronensis

Boletus ornatipes

Boletus pallidus

Gyrodon merulioides (Boletinellus merulioides)

Suillus granulatus

Suillus pictus (Suillus spraguei)

Tylopilus rubrobrunneus

Coltricia cinnamomea

Piptoporus betulinus

Hydnellum pineticola (Hydnellum ferrugineum)  
Hydnum repandum

Tremellodendron pallidum

Helvella macropus

Leotia lubrica

Cordyceps sp.

Probably C. militaris

Daldinia concentrica

Hypomyces hyalinus

Stemonitis sp.
