

Maine Mycological Association, Inc.
Species List
Saturday October 15, 2022
Massabesic Forest, Alfred

Amanita citrina
 frostiana
 fulva
 rhacopus (f/ceciliae, inaurata)
 virosa
Armillaria mellea
 ostoyae
Clavulina cinerea
 coralloides
Collybia tuberosa
Cortinarius armillatus
 iodes
 limonius
 semisanguineus
Craterellus fallax
 tubaeformis
Cyanosporus livens (f/Postia caesius)
Dacrymyces palmatus
Fomes fomentarius
Fomitopsis betulina
 mounceae (f/pinicola)
Fuscopostia fragilis
Galerina marginata
Ganoderma tsugae
Gymnopilus penetrans
Gymnopus dryophilus
Hebeloma crustuliniforme
Helmintohspaeria claviarum
Hemistropharia (f/Pholiota) albocrenulata
Hydnum umbilicatum
Hygrocybe miniatus
Hygrophorus camarophyllus
 flavodiscus
 fuliginus
Hygrophoropsis aurantiaca
Hypholoma lateritium
Hypomyces hyalinus
Hypsizygus ulmarius
Laccaria laccata
Lactarius chrysorrheus
 deceptivus

gerardii
lignyotus
vinaceorufescens
Leotia lubrica
Lentinellus ursinus
Mycena epipterygia
Panellus stipticus
Phaeotremella foliacea
Polyporus leptcephalus
Postia caesius
Pseudohydnum gelatinosum
Russula compacta
silvicola
Sarcomyxa (Panellus) serotinus
Stereum complicatum
Suillus weaverae (f/granulatus)
Trichaptum abietinum
Tricholoma aurantium
sejunctum
terreum
Tricholomopsis decora
Tylopilus felleus
Tyromyces chioneus
