

**Maine Mycological Association  
August 26, 2023  
Cooper Road  
Alexander, Maine**

**Species List**

Amanita elongata  
    flavoconia  
    muscaria  
Boletus edulis s.l.  
Cantharellus cibarius  
Clavulina amethystina  
    coralloides  
Clavulinopsis fusiformis  
Coltricia perennis  
Cortinarius armillatus  
    caperatus  
    corrugatus  
    iodes  
    semisanguineus  
    violaceus  
Craterellus fallax  
    ignicolor  
Entoloma luteum  
    murrayi  
    quadratum (salmomeum)  
Fomes fomentarius  
Gliophorus laetus  
Gloeophyllum sepiarium  
Gymnopus dryophila  
Harrya chromapes  
Helminthosphaeria clavariarum  
Hemileccinum subglabripes  
Humidicutis marginata  
Hydnum alboaurantiacum  
    quebecense  
Hygrocybe miniata  
Hymenopellis furfuracea  
Hypholoma lateritium  
Laccaria amethystina  
    bicolor  
    laccata  
    ochropurpurea

August 26, 2023, continued

Lactarius camphoratus  
    chrysorreus  
    deceptivus  
    torminosus  
Leccinum atrostipitatum  
    aurantiacum  
    holopus  
Leotia lubrica  
    viscosa  
Lycoperdon perlatum  
Marasmius rotula  
Mycetinus scorodoni  
Rhodocollybia maculata  
Russula silvicola  
    variata  
Stereum complicatum  
Suillus placidus  
    spraguei (f/ pictus)  
Sutorius eximius  
Tapinella atrotomentosa  
Tolypocladium (Cordyceps) ophioglossoides  
Trametes versicolor  
    cinnabarina  
Turbinellus floccosus  
Tyromyces chioneus  
Xanthoconium affine  
Xylaria hypoxylon
