Species List
Sunday September 24, 2023
Dunn Road, Norway

Amanita brunnescens
 citrina
 flavorubens
 fulva
 rubescens
Bjerkandera adusta
Cerioporus varius
Clavulina coralloides
Clavulinopsis fusiformis
 laeticolor
Clitopilus prunulus
Cortinarius caperata
Craterellus fallax
Cuphophyllus borealis
Entoloma murayi
Fomitopsis betulina
 mounceae (f/pinicola)
 Ganoderma applanatum
Geoglossum sp.
Gliophorus laetus
Helvella macropus
Humidocutis marginatus
 marginatus v. olivacea
Hydnellum conrescens
Hygrocybe cantharellus
 coccinia
 miniata
Hymenopellus furfuracea
Infundibulocybe (Clitocybe) gibba
Leccinum scabrum
Lycoperdon perlatum
Macrolepiota procera
Neolecta irregularis
Onnia tomentosa
Panellus stipticus
Pleurotus pulmonarius
Ramariopsis kunzi
Russula crustosa
 peckii
 silvicola
Scleroderma citrinum

Strobilomyces floccopus
Sutorius eximius
Tolypocladium capitata
Trametes betulina
Trichaptum biforme
Tyromyces chioneus
Xerocomus badius

Myxomycete

Lycogala epidendrum
