

**Maine Mycological Association
Foray List
Sunday November 5, 2023
Waldoboro Town Forest, Waldoboro**

Amanita citrina
Ascocoryn sarcoides
Calycina (Bisporella) citrina
Cerioporus varius
Clavulina cinerea
 coralloides
Clavulinopsis fusiformis
Cortinarius cinnamomius
 croceus
Craterellus tubaeformis
Dacrymyces chrysospermus (palmatus)
Daedaleopsis confragosa
 septentrionalis
Entoloma quadratum (salmomeum)
Exidia recisa
Fomes fomentarius
Fometopsis mounceae (pinicola)
Ganoderma applanatum
 tsugae
Gliophorus irrigatus
Gloeophyllum sepiarium
Gymnopilus penetrans
Helminthospaeria clavariarum
Hericium americanum
Humidocutis marginata
Hydnum repandum
 umbilicatum
Hygrocybe miniata
Hypholoma capnoides
 lateritium
Lactarius deceptivus
Lycogala epidendrum (slime mold)
Mycena epipterygia
Panellus stipticus
Phallus ravenelli
Phlebia radiata
Pleurotus dryinus
 ostreatus
Pluteus cervinus
Pseudohydnum gelatinosum
Phyllotopsis nidulans

Rhodofomes cajanderi
Russula brevipes
 silvicola
Sarcomyxa (Panellus) serotina
Stereum complicatum
Suillus weaverae
Trametes (Lenzites) betulina
 (Pycnoporus) cinnabarina
 ochraecea
 pubescens
 versicolor
Trichaptum abietinus
 biforme
Tyromyces chioneus
 livens (caesius is European)
Xylaria polymorpha
